Dear Dr. Thomas McDowell,

Please accept this letter as my notice of my resignation from my position as BASES Special Education Teacher for Colchester Elementary School. My last date of employment will be December 23, 2022.

Unfortunately I am no longer able to continue my work with Colchester Public Schools. I was very excited for this opportunity and hopeful that the district would be highly supportive of encouraging high standards and positive student outcomes, especially with our most at-risk students. At this point in time I do not feel the district moving in a positive direction to support staff and students. I have observed minimal development to support special education staff in this time of transition for the district. I have decided to pursue my continued love for education in another district.

Thank you for the opportunity to work for and collaborate with Judy O'Meara and Meghan Amado. I greatly appreciate and admire their commitment to the students and staff in their building. They have always been willing to support the BASES classroom and our most at-risk students outside of their own duties and responsibilities.

I wish you and all the Colchester staff a successful 2023 school year.

Sincerely,

Olivia Sirois
